

INVITATION TO SATELLITE SYMPOSIUM

ESC CONGRESS 2018 • 25 – 29 AUGUST 2018 • MUNICH, GERMANY

GARFIELD-AF: New Light Shed on Atrial Fibrillation and its Management

Saturday 25 August 2018 • 15:30 – 17:00 • Room Vienna – Village 3

Dear colleagues,

It is our pleasure to invite you to the 7th GARFIELD-AF Satellite Symposium, which will be held at the ESC Congress 2018.

GARFIELD-AF (Global Anticoagulant Registry in the FIELD–Atrial Fibrillation) is a global prospective registry in 35 countries which has generated at least 2 years of follow-up data in over 52,000 patients with newly diagnosed atrial fibrillation (AF).

At this year's Satellite Symposium, we are celebrating the wealth of evidence collected since 2010.

Highlights include:

- GARFIELD-AF risk score and its online application
- New insights on the quality of stroke of prevention and its clinical effectiveness in routine care
- Presentations on the real-world record of change in prescribing practice and outcomes

We look forward to welcoming you and to your participation at this Symposium.

Sincerely,

Rt Hon Professor the Lord Kakkar, Chair

Professor Jean-Pierre Bassand, Co-chair

Symposium Agenda

15:30 – 15:45	A Celebration of the Evidence from the GARFIELD-AF Registry Rt Hon Professor the Lord Kakkar, UK
15:45 – 16:05	Clinical Effectiveness of Routine Care for Stroke Prevention Professor Keith AA Fox, UK
16:05 – 16:25	Temporal Changes in the Quality of Stroke Prevention in Atrial Fibrillation Professor A John Camm, UK
16:25 – 16:35	Trends in Outcomes for Patients with Atrial Fibrillation: Analyses from 2010 Onwards Professor Freek WA Verheugt, The Netherlands
16:35 – 16:55	Panel Discussion Co-moderated by: Professor Jean-Pierre Bassand, France and Professor Samuel Z Goldhaber, USA
16:55 – 17:00	Closing Remarks Rt Hon Professor the Lord Kakkar, UK

REGISTRATION

Please register for this Symposium by sending an email to events@tri-london.ac.uk

Please also join us at the Thrombosis Research Institute exhibition stand **B600 (Village 1)** to find out more about GARFIELD-AF and how you can join our global network of sites for future studies.

The GARFIELD-AF registry is an independent academic research initiative sponsored by the Thrombosis Research Institute (London, UK) and supported by an unrestricted research grant from Bayer AG (Berlin, Germany).
